

13mm Promo Mascara (Fluted Cap)

The Promo mascara is now available with a fluted cap design with a highly tactile ridged effect. The mascara is a shorter version of its full size counterpart so is compatible with the same brushes to achieve the same make-up claims. The approximate declared fill is 3.5-5ml. A 3.6mm diameter rod is offered for brow/lash treatments.

HCP Ref:

51U (PP Bottle) / 6L7 (PET Bottle) / 6C4 (Fluted Cap)
