

13mm Fusion Sleek Lip Gloss Full Size (with plastic cap)

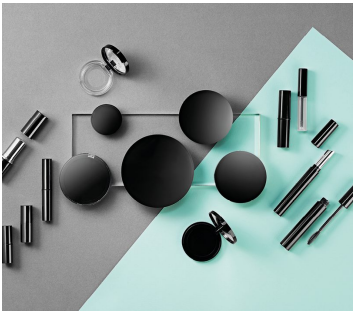

The Fusion Sleek Lip Glosses (available in full and mini size) have a thick-walled, one piece PETG bottle construction that offers crystal clear packaging appeal. The plastic cap option can be paired with lip glaze, curved, ballet and small feather applicators. This pack is also available with an aluminium cap for an extra luxurious feel or alternatively, select a paper cap for an all-over printed design that can also have added foil, spot UV or a matt or gloss finish.
