

Devotion Luxe Fluted Refill Lipstick

With a patented 'Click to Use' rechargeable mechanism and ultra-luxurious aluminium exterior, the 'Devotion Luxe Fluted Refill Lipstick' is a perfect packaging choice to simultaneously create brand loyalty and reduce environmental impact. A special lock ring feature for the refillable mechanism (patented) twists up after assembly with base. Eco-friendly packaging promoted in a timeless 70/30 cylindrical profile. The cup diameter is 12.7mm while the base is weighted for a premium feel.
