

# 14.5mm Pacific Mascara

The Pacific mascara stock pack has a luxurious tapered profile, with a gently sloping tear-drop surface to the cap. With extensive decoration capabilities and options for both twisted-wire and micro-precision moulded plastic brushes, this is a stand-out star of HCP's mascara offering. It is compatible with multiple brush types, rod and wiper combinations. This pack has a premium click closures and a decoration orientation feature to ensure a satisfying and high-end result. Cap options with straight, flat top-plate and dome top-plate are also available. For brands looking to optimise their sustainable credentials via PCR materials, the bottle can be moulded in 30% R-PP or R-PET, the cap in 100% R-ABS and the rod in 50% R-PBT.
